CALL FOR WORKSHOP PAPERS – COMPSAC 2011
35th Annual International Computer Software and Applications Conference, Munich, Germany
http://www.compsac.org, 18-22 July 2011, Co-located with SAINT 2011

Sponsored by the IEEE, the IEEE Computer Society & supported by Siemens Corporation

COMPSAC, first held in Chicago in 1977, is one of the major international forums for academia, industry, and government to discuss research results, advances and future trends in computer and software technologies and applications. COMPSAC is designated as the IEEE Computer Society Signature Conference on computer, software and applications. Based on this designation, COMPSAC 2011 will also include the following 16 workshops on emerging important topics, and we cordially invite you to submit papers to these co-located workshops (http://compsac.cs.iastate.edu/cc_workshops.php):

Each paper selected for inclusion in the proceedings must be registered for COMPSAC 2011 at the full registration rate. Each paper must be presented in person by the author, or one of the authors. Proceedings of the COMPSAC Workshops will be provided as a separate volume by IEEE Computer Society Press, and will be made available to all conference registrants on site. All workshop papers will also be electronically available through IEEE Xplore Digital Database, and professionally indexed through INSPEC and EI Index (Elsevier's Engineering Information Index). For further information on preparing a workshop paper, please contact the workshops chairs and consult the 35th COMPSAC website at http://www.compsac.org as a source of first-hand information.

35th COMPSAC Important Dates for Workshop Papers

March 1, 2011 : Workshop paper submission
April 8, 2011 : Workshop paper author notification
May 2, 2011 : Camera-ready & author registration
